Commodore's Log by Cindy Warwick

Happy New Year Everyone! Hope all of you had a wonderful holiday season.

First of all, I want to thank Derek & Kim Budd for hosting the Christmas Party on December 11th. It was very nice of them to open their home to a bunch of sailors! Very much appreciated! The turnout was pretty good and it was nice to have some time to catch up with many of you.

There are lots of things going on in the coming months so I'll just give you a few of the highlights here. We did not have a Board meeting in December and will meet up again on January 4th. Items to be discussed will be the upcoming racing/social calendar as well as fine tuning the budget. Please make sure to let the Board know if you have any questions, concerns or items for consideration. Your input is important to us!

Salmon Bake will be held on February 19th at 6:00 PM at the Girl Scout Building. More info will be sent out this month as we'll need to secure some volunteers for cooking, setting up & clean up. If you might be interested in helping, just shoot me an email. The racing/social calendar will be available in order for you to sign up so make sure you bring your personal calendar with you to the Salmon Bake and get first pick of available dates.

Free Sail Classes: Classroom – 4/21 & 4/28 at Pioneer Hall in Ashland, with on-the-water – May 5th with an alternate date of 5/12 in case of bad weather. These classes are being organized by Peter Cipes and more info will be coming out within the next few months in order to secure volunteers. Feel free to start spreading the word to anyone you think might be interested in learning to sail. It's a great opportunity for them to get their feet wet (sorry, bad choice of words!) since the classes are free and see if sailing is a sport they would like to pursue further.

During the winter months, I like to watch the water level at Howard Prairie so I can see where it's going to be when the season starts in May. Just in case you don't have the link, I've included it here. <http://www.usbr.gov/pn/hydromet/roguetea.html> I'm definitely not the expert in the family as to historical data or the mathematical computations for precise CFS (cubic foot per second), but I do have high expectations for this upcoming season since it's been raining cats & dogs already!

It's going to be a great 2011 & I'm looking forward to seeing everyone next month.

Best Wishes, Cindy Warwick, Commodore

January RYC Events

4–Tuesday: RYC board meeting at Commodore Warwick's house.

February RYC Events

26–Saturday: Annual Salmon Bake and Member Meeting.

TIME: 6:00 PM till 9:00 PM

RYC PROVIDES: Entrée of salmon and beef, soft drink, coffee, and tea.

BRING: Side-dish, salad, or dessert to share and drinks.

COST: \$5.00 per person

REMEMBER to bring your dues, too!

Club Business

No board meeting was held in December.

The Christmas party held at Derek and Kim Budd's house in Ashland was well attended by both older and newer members and enjoyable to all.
